Dear Madam Secretary:

We write today again on behalf of our constituents who are members of The EMR Network in regards to the Environmental Effects of Radiofrequency Radiation: Petition for Inquiry to Consider Amendment of Rules in Parts 1 and 2, Petition for Inquiry of The EMR Network dated September 25, 2001, and Application for Review dated January 10, 2002. Would you please indicate the status of the application for review that The EMR Network filed on January 10, 2002, to the dismissal letter of Bruce Franca dated December 11, 2001, of its Petition for Inquiry dated September 25, 2001.

Fifteen months have passed since the Application for Review was filed. On July 1, 2002, we wrote to you requesting an update on the status of this application. We have heard no response from your office on our request, nor has the EMR Network. Please advise us as to when we can expect the Commissioners to reach a decision on this request. Thank you in advance for your response.

Sincerely,
